

Dear Camden County, MO CERT Member,

With the start of the new year, we are restructuring the Camden County, MO Community Emergency Response Team (CC MO CERT). Our levels have not changed. Below you will find the levels and their definitions as they apply to our group. We need to learn which level you wish to be considered, updated contact information, and which upcoming activities you are interested in taking part in this year!

Levels of Deployment/Interaction

Level 1

This designation is given to those citizens who have attended the initial CERT training, are over 18, and choose NOT to be involved as members of CERT. This level is also known as the “Awareness Level”. Citizens at the Awareness level are given a certificate of participation but are NOT issued a CERT Helmet, Vest, or ID. They are NOT registered Camden County, MO CERT volunteers.

Level 2

This designation is given to those citizens who have attended the initial CERT training, are over 18, and have chosen to become members of CERT. This designation is also known as the “Neighborhood Response Level” as these members may assist, at their own discretion, their neighbors during disasters or emergencies. These members are registered volunteers with CERT.

Level 3

This designation is given to those citizens who attended the initial CERT training, are over 18, and have chosen to become members of CERT at a more advanced level. This designation is also known as the “Community Response Level” as these members may be contacted to assist their community, county, region, or state during/after a disaster. These members may assist their neighbors, at their own discretion, during disasters or emergencies. These members are registered volunteers with Camden County, MO CERT, as well as Missouri’s State Emergency Management Agency (SEMA).

Please take a few minutes to fill out and return the other information form included in this packet. It will help the CC MO CERT Leadership understand what part and role you wish to take in the group! Visit us at ccmocert.com, on Facebook @CCMOCERT, or contact CERT Coordinator Tim Giedd at 619-846-6291 for more information!

Thank you!

Samantha Henley

Director

Camden County, MO Emergency Management Agency

Name: _____ Callsign if applicable: _____ Date: _____
