FEMA, Cal OES and the National CERT Association Presents

2023 National CERT Conference Early Preview

Wednesday, March 15, from 1:00pm-3:00pm ET, 10:00am to 12:00pm PT

The 2023 National CERT Conference will be held at the Hyatt Regency Hotel at the San Francisco (CA) Airport, June 26 through July 1. This year, the National CERT Association (NCA) is partnering with the California Office of Emergency Services (Cal OES), the California Fire Services Training Institute (FSTI), and the Bay Area Urban Areas Security Initiative (UASI) to plan the biggest CERT Conference ever!

The conference theme is CERT 360°, highlighting CERT's ability to be flexible as a community resource as well as being inclusive to all community members. The conference will feature training and presentations for all levels of CERT including Emergency Managers, Program Managers, Instructors, Volunteers, and CERT Partners.

Join us on March 15 for an early preview. The conference team will share what they are planning so far, answer questions, and solicit feedback.
