

#WinterReady: Best Practices for CERT Volunteers

Please join FEMA's Individual and Community Preparedness Division, the Ready Campaign, and the National CERT Association on **Tuesday, Jan. 9** from **2 – 3 p.m. ET** for a winter preparedness webinar. The webinar is an opportunity to share best practices, lessons learned, and tips to prepare communities to be #WinterReady.

The webinar will feature a panel of Community Emergency Response Team (CERT) subject matter experts. FEMA Ready staff will also share resources and information available on the new Ready.gov #WinterReady webpage. A question-and-answer session will follow the presentations.

Register for the webinar:
